## COMMITTEE ON REDRESS OF GRIEVANCES

January 6, 2012

Hon. Timothy Horrigan  
7-A Faculty Rd.  
Durham, NH 03824-2706

Dear Representative Horrigan:

After thinking we had an understanding it is greatly disturbing to have heard further complaints from petitioners before the Redress of Grievance Committee regarding what they believe is an attempt to disparage, intimidate, or influence the results of their petitions. As you know one petitioner indicated that she withdrew her petition entirely because of your postings. Now, having been forwarded your recent internet postings, I can understand their frustration. Because this Committee depends more than most on the need for its members to appear and to, ideally, remain objective I am going to ask that you terminate the public critiques of our citizens who are making use of the petition process and their petitions. Failing that I will request that the Speaker remove you to another committee per my authority in the Rules of the House. This is the only warning I will be giving.

Respectfully,

A handwritten signature in cursive script, appearing to read "Paul Ingbretson".

Hon. Paul Ingbretson, Chairman  
Redress of Grievances Committee
