PETITION 34
PETITION FOR REDRESS OF GRIEVANCE

TO: The Honorable House of Representatives
FROM: Petitioner Representative Patrick Abrami, Rock. 13
DATE: March 16, 2012
SUBJECT: Grievance of Daniel Shepard

Your Petitioner, Representative Abrami, on behalf of Daniel Shepard of North Hampton, hereinafter presents the following summary of his grievance against the State of New Hampshire, Marital Master Philip Cross, Judge Sharon N. DeVries, and Attorney Keri J. Marshall and invokes the constitutional authority and duty of the Honorable House of Representatives pursuant to Articles 31 and 32 of the New Hampshire Constitution to bring about redress:

Grievance involving repeated violations of Daniel Shepard's due process rights, violations of the standards of evidence, violations of the New Hampshire support RSAs and precedents (e.g., contradiction of the New Hampshire supreme court ruling in Noddin v. Noddin, 123 N.H. 73 (1983)), abuses of discretion and power, and an unsustainable exercise of discretion regarding evidence.

Wherefore, your Petitioner prays that the House of Representatives consider this proposed remedy:

- I. Introduce legislation to:
 - (a) Amend family court RSAs on modifications of alimony to eliminate increases in and extensions of alimony awarded pursuant to a final decree, particularly when the receiving party has provided testimony or evidence containing material falsehoods or when there has been a finding of adultery or any other of the causes for divorce against the receiving party; and
 - (b) Amend family court RSAs to allow appeals to the superior court on questions of admissibility of evidence.
 - (c) Require the supreme court to establish rules of evidence for the family court which are in conformance with the superior court rules of evidence.
- II. Continue the investigation for impeachment of Marital Master Philip Cross and Judge Sharon N. DeVries pursuant to HR 7.

Respectfully submitted by Petitioner Representative Abrami on behalf of Daniel Shepard.
